***You do not need to be a member of WEC to make a nomination.***

WEC is a membership alliance of labor, environmental, and community organizations working for safe, secure jobs and a healthy, sustainable environment. WEC links workers, communities, and environmentalists through training, technical assistance, grassroots organizing and public policy campaigns to promote dialogue, collaboration, and joint action. Formed in 1986, WEC is the nation's oldest state labor/environmental (or "blue/green") coalition.
