

COVID Vaccine Update

David J. Adinaro MD, M.Eng., FACEP
Deputy Commissioner, Public Health Services

18th May 2021

CONFIDENTIAL

Strategic aims of New Jersey's COVID-19 vaccination program (from *New Jersey's vaccination plan Executive Summary*)

Provide equitable access to all who live, work, and/or are educated in New Jersey

Achieve community protection, assuming vaccine effectiveness, availability, and uptake

Build sustainable trust in COVID-19 and other vaccines

Deliverables across working groups for vaccines rollout planning

Logistics and PODS delivery

- Partnerships
- Cold chain management
- Static and mobile site delivery
- Local Engagement
- Vendor relationship
- Vaccine command center
- PPE

Federal interoperability, IT, data flow management and surveillance

- Pandemic vaccine provider registration
- Provider call center
- Consumer registration
- Consumer call center
- Tech interfaces between providers, state, feds, consumers
- Surveillance

Specific population planning

- Population specific vaccine plans e.g., vulnerable, critical infrastructure workers, general pop

Enabling policy

- Vaccination plan for CDC
- Executive directives or other regulatory/policy tools
- Stakeholder consultation

Public confidence

- Stakeholder engagement
- Public call center
- Campaign

Strategic communications

- Relationship management
- Inbound comms management

Analytics and reporting

- Population data capture
- Analytics to inform success of implementation

Management and administration

- Workforce
- Contracting
- Budget

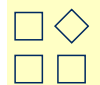

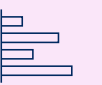

Flu vaccine acceleration and general immunization

- Statewide campaign
- Pilot learnings for COVID
- Support for specific populations
- Vaccine site navigation

Cross cutting elements: *Equity* *Funding*

1 CDC has issued guidance that they will provide a planning framework to states with a deadline for submission of state plans set at 30-days from that point Preliminary, pre-decisional, and deliberative. Based on input provided by State agency leaders and staff, to date, and subject to change. Content is descriptive only and is not meant to constitute legal, clinical, or policy advice.

Guiding principles – *working draft for discussion*

1 Aim to safely vaccinate as many people who choose to get vaccinated as possible; goal is herd immunity

2 Overcome access barriers to ensure equity; vaccinate people where they are

3 Intention of the program will be the protection of lives and livelihoods

4 Build on, but also scale existing systems; and rapidly identify where new systems and processes may be required

5 Ensure a coordinated statewide approach, delivered locally

6 Continuous momentum will be required to achieve success

Overview of State's vaccine supply (as of 9:30am 5/17/2021)

Doses administered (all vaccination sites¹):

Total doses delivered
10,101,370

Total doses administered
8,023,354

% total administered from delivered
79%

People vaccinated

People with at least one vaccine dose²
4,610,052

People with completed vaccination series³
3,701,660

1. Includes all vaccination sites with State or Federal allocations. Doses ordered as of 5/17. Includes all individuals who were vaccinated within New Jersey (those who live work or study within New Jersey). Numbers exclude New Jersey residents who are vaccinated out of state or through select Federal programs
2. Individuals who have received a single dose from a one dose vaccine course or a first dose from a two dose vaccine course
3. Individuals who have received a single dose from a one dose vaccine course or a second dose from a two dose vaccine course

Preliminary, pre-decisional, and deliberative. Based on input provided by State agency leaders and staff, to date, and subject to change. Content is descriptive only and is not meant to constitute legal, clinical, or policy advice.

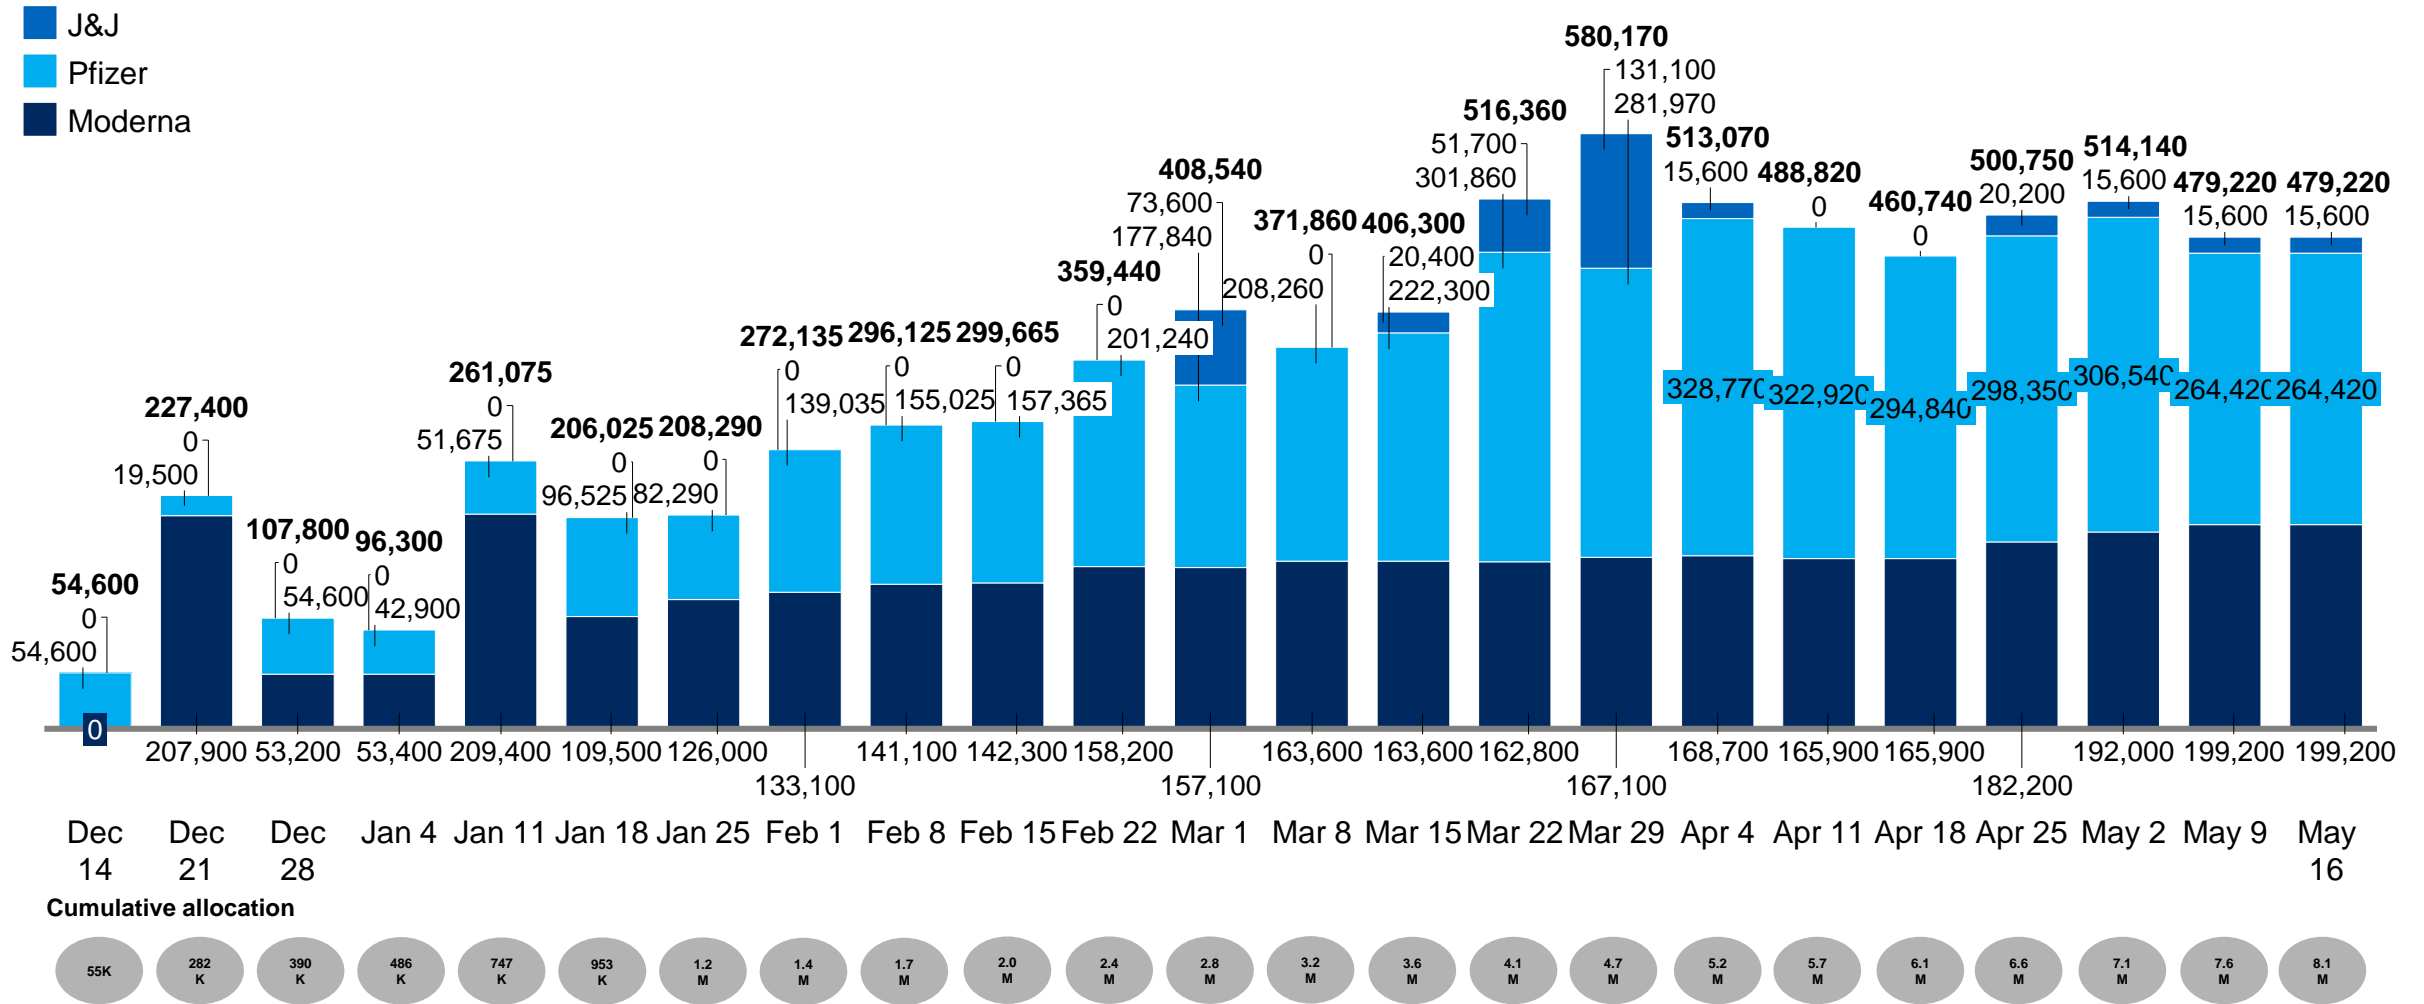

First and second dose break down (as of 9:30am 5/17/2021)

Overview of 2nd dose performance

As of 5.13.2021 8:00am

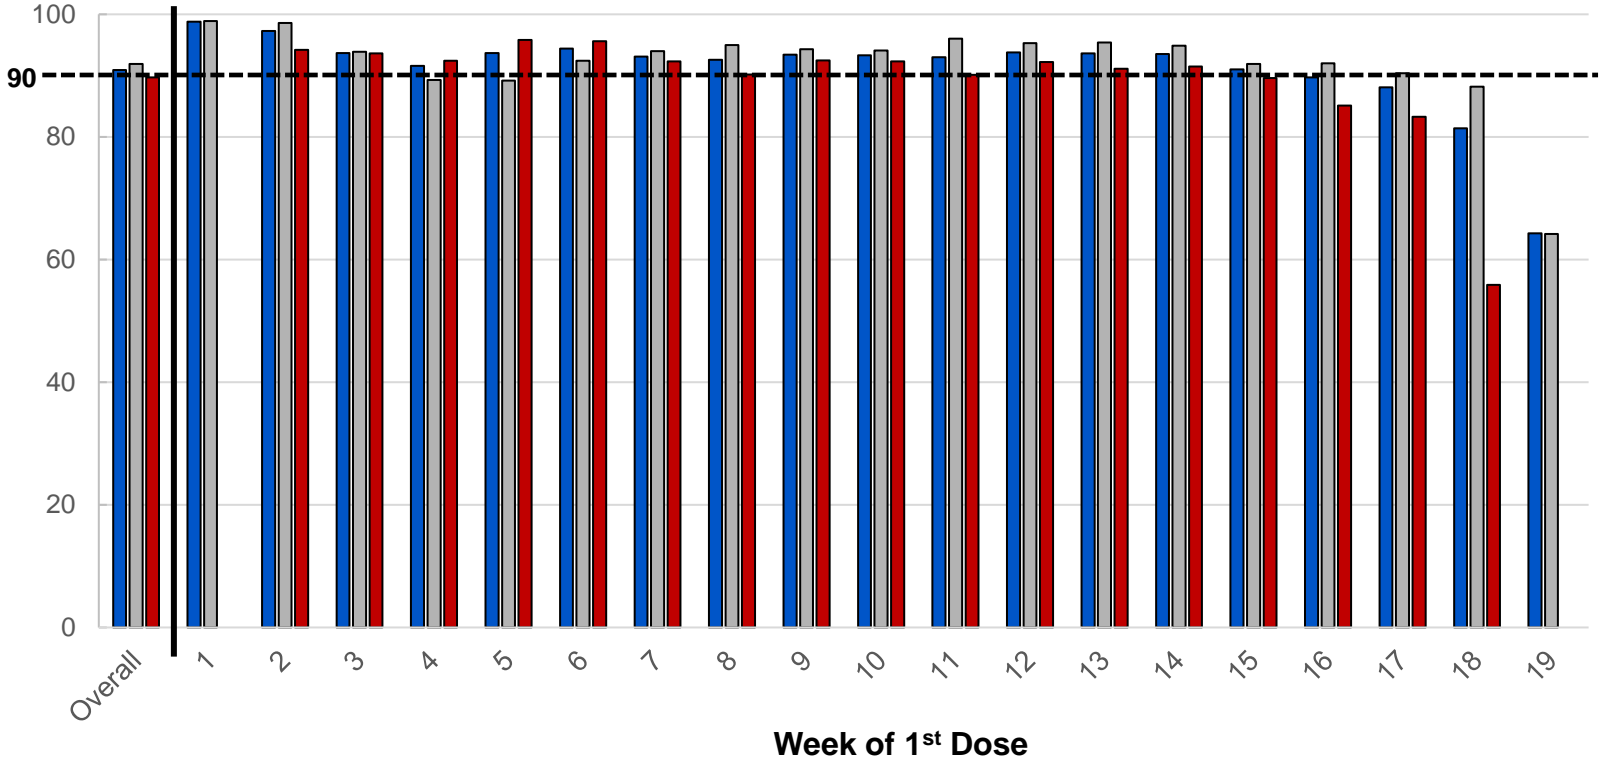

% Vaccinees Receiving 2nd Dose by Week of 1st Dose

2nd Dose Completion Rate

All Eligible
91%

“Mature”
93%

■ Total ■ Pfizer ■ Moderna

% Vaccinees Receiving 2nd Dose

	Eligible / Early 2nd Doses
Total*	3,613,619
Pfizer	2,050,178
Moderna	1,563,441

*Totals include eligible vaccinees and vaccinees receiving early doses in subsequent weeks not shown.

Week	Date Range
1	12/14-12/20
2	12/21-12/27
3	12/28-1/3
4	1/4-1/10
5	1/11-1/17
6	1/18-1/24
7	1/25-1/31
8	2/1-2/7
9	2/8-2/14
10	2/15-2/21
11	2/22-2/28
12	3/1-3/7
13	3/8-3/14
14	3/15-3/21
15	3/22-3/28
16	3/29-4/4
17	4/5-4/11
18	4/12-4/18
19	4/19-4/26

- Numerators include all 2nd doses received, regardless of eligibility. Denominators include all vaccinees eligible for 2nd dose and those who received 2nd dose prior to being eligible for it.
- Pfizer denominator includes all vaccinees who received 1st dose at least 22 days ago
- Moderna denominator includes all vaccinees who received 1st dose at least 29 days ago

New Jersey COVID-19 Vaccine Call Center

- NJ COVID-19 Vaccine Call Center is open and assisting callers with:
 - Frequently asked questions
 - Registering new users on the New Jersey Vaccine Scheduling System (NJVSS)
 - Looking up previous registrations, scheduling appointments and editing appointments at the vaccine sites that use NJVSS

We are also exploring adding registration capabilities for additional Mega Sites not on NJVSS currently

- Due to limited vaccine supply, availability of appointments is currently limited across the State. As appointments become available throughout the week, call center representatives will be able to support those needing assistance to schedule an appointment.
- For all other non-NJVSS sites and some mega sites, the call center is guiding callers to the contact information for these sites. Information on open vaccination sites is also available on the [covid19.nj.gov/vaccine](https://www.covid19.nj.gov/vaccine) website..

Call 855-568-0545

Where to find information on vaccination sites in New Jersey

New Jersey Vaccine Scheduling System (NJVSS)

- ✓ Visit **covidvaccine.nj.gov** and fill out the registration form.
- ✓ You will receive a confirmation email.
- ✓ When eligible, you will receive a text and email to schedule an appointment, as availability opens up

covidvaccine.nj.gov

List of open vaccination sites on COVID information hub

- ✓ Visit **covid19.nj.gov/vaccine**
- ✓ Search for tab on ‘Where and how to get vaccinated’
- ✓ Look up list of all open vaccination sites
- ✓ Directly schedule with site closest to you through individual scheduling links

covid19.nj.gov/vaccine

You can also call 855-568-0545 for support
